DISCLOSURES

10. DISCLOSURES:

159*

- (a) **RADON GAS**: Radon is a naturally occurring radioactive gas that, when it is accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.
- (b) PERMITS DISCLOSURE: Except as may have been disclosed by Seller to Buyer in a written disclosure, Seller does not know of any improvements made to the Property which were made without required permits or made pursuant to permits which have not been properly closed.
- (c) MOLD: Mold is naturally occurring and may cause health risks or damage to property. If Buyer is concerned or desires additional information regarding mold, Buyer should contact an appropriate professional.
- (d) FLOOD ZONE; ELEVATION CERTIFICATION: Buyer is advised to verify by elevation certificate which flood zone the Property is in, whether flood insurance is required by Buyer's lender, and what restrictions apply to improving the Property and rebuilding in the event of casualty. If Property is in a "Special Flood Hazard Area" or "Coastal High Hazard Area" and finished floor elevation is below minimum flood elevation, Buyer may terminate this Contract by delivering written notice to Seller within 20 days after Effective Date, failing which Buyer accepts existing elevation of buildings and flood zone designation of Property.
- (e) **ENERGY BROCHURE**: Buyer acknowledges receipt of Florida Energy-Efficiency Rating Information Brochure required by Section 553.996, F.S.
- (f) **LEAD-BASED PAINT**: If Property includes pre-1978 residential housing, a lead-based paint rider is mandatory.
- (g) HOMEOWNERS' ASSOCIATION/COMMUNITY DISCLOSURE: BUYER SHOULD NOT EXECUTE THIS CONTRACT UNTIL BUYER HAS RECEIVED AND READ THE HOMEOWNERS' ASSOCIATION/COMMUNITY DISCLOSURE, IF APPLICABLE.
- (h) PROPERTY TAX DISCLOSURE SUMMARY: BUYER SHOULD NOT RELY ON THE SELLER'S CURRENT PROPERTY TAXES AS THE AMOUNT OF PROPERTY TAXES THAT THE BUYER MAY BE OBLIGATED TO PAY IN THE YEAR SUBSEQUENT TO PURCHASE. A CHANGE OF OWNERSHIP OR PROPERTY IMPROVEMENTS TRIGGERS REASSESSMENTS OF THE PROPERTY THAT COULD RESULT IN HIGHER PROPERTY TAXES. IF YOU HAVE ANY QUESTIONS CONCERNING VALUATION, CONTACT THE COUNTY PROPERTY APPRAISER'S OFFICE FOR INFORMATION.
- (i) **TAX WITHHOLDING**: If Seller is a "foreign person" as defined by the Foreign Investment in Real Property Tax Act ("FIRPTA"), Buyer and Seller will comply with FIRPTA, which may require Seller to provide additional cash at Closing.
- (j) **SELLER DISCLOSURE**: Seller knows of no facts materially affecting the value of the Real Property which are not readily observable and which have not been disclosed to Buyer.

PROPERTY MAINTENANCE, CONDITION, INSPECTIONS AND EXAMINATIONS

200 11. PROPERTY MAINTENANCE: Except for ordinary wear and tear and Casualty Loss, and those repairs, replacements or treatments required to be made by this Contract, Seller shall maintain the Property, including, but not limited to, lawn, shrubbery, and pool, in the condition existing as of Effective Date ("Maintenance Requirement").

12. PROPERTY INSPECTION AND REPAIR:

(a) INSPECTION PERIOD: By the earlier of 15 days after Effective Date or 5 days prior to Closing Date ("Inspection Period"), Buyer may, at Buyer's expense, conduct "General", "WDO", and "Permit" Inspections described below. If Buyer fails to timely deliver to Seller a written notice or report required by (b), (c), or (d) below, then, except for Seller's continuing Maintenance Requirement, Buyer shall have waived Seller's obligation(s) to repair, replace, treat or remedy the matters not inspected and timely reported. If this Contract does not close, Buyer will repair all damage to Property resulting from Buyer's inspections, return Property to its pre-inspection condition and provide Seller with paid receipts for all work done on Property upon its completion.

(b) GENERAL PROPERTY INSPECTION AND REPAIR:

- (i) General Inspection: Those items specified in Paragraph 12(b)(ii) below, which Seller is obligated to repair or replace ("General Repair Items") may be inspected ("General Inspection") by a person who specializes in and holds an occupational license (if required by law) to conduct home inspections or who holds a Florida license to repair and maintain the items inspected ("Professional Inspector"). Buyer shall, within the Inspection Period, inform Seller of any General Repair Items that are not in the condition required by (b)(ii) below by delivering to Seller either a written notice or a copy of the portion of Professional Inspector's written report dealing with such items.
- (ii) Property Condition: The following items shall be free of leaks, water damage or structural damage: ceiling, roof (including fascia and soffits), exterior and interior walls, doors, windows, and foundation. The above items together with pool, pool equipment, non-leased major appliances, heating, cooling, mechanical, electrical, security, sprinkler, septic and plumbing systems and machinery, seawalls, and dockage, are, and shall be maintained until Closing, in "Working Condition" (defined below). Torn screens (including pool and patio screens), fogged windows, and missing roof tiles or shingles will be repaired or replaced by Seller prior to Closing. Seller is not required to repair or replace "Cosmetic Conditions" (defined below), unless the Cosmetic Conditions resulted from a defect in an item Seller is obligated to repair or replace. "Working Condition" means operating in the manner in which the item was designed to operate. "Cosmetic Conditions" means aesthetic imperfections that do not affect Working Condition of the item, including, but not limited to, pitted marcite; tears, worn spots and discoloration of floor coverings, wallpapers, or window treatments; nail holes, scrapes, scratches, dents, chips or caulking in ceilings, walls, flooring, tile, fixtures, or mirrors; and minor cracks in walls, floor tiles, windows, driveways, sidewalks, pool decks, and garage and patio floors. Cracked roof tiles, curling or worn shingles, or limited roof life shall not be considered defects Seller must repair or replace, so long as there is no evidence of actual leaks, leakage or structural damage.
- (iii) General Property Repairs: Seller is only obligated to make such general repairs as are necessary to bring items into the condition specified in Paragraph 12(b)(ii) above. Seller will, within 5 days after receipt of Buyer's written notice or General Inspection report, either have the reported repairs to General Repair Items estimated by an appropriately licensed person and a copy delivered to Buyer, or have a second inspection made by a Professional Inspector and provide a copy of such report and estimates of repairs to Buyer. If Buyer's and Seller's inspection reports differ and the parties cannot resolve the differences, Buyer and Seller together will choose, and equally split the cost of, a third Professional Inspector, whose written report will be binding on the parties.

If costs to repair General Repair Items equals or is less than the General Repair Limit, Seller will have repairs made in accordance with Paragraph 12(f). If cost to repair General Repair Items exceeds the General Repair Limit, then within 5 days after a party's receipt of the last estimate: (A) Seller may elect to pay the excess by delivering written notice to Buyer, or (B) Buyer may deliver written notice to Seller designating which repairs of General Repair Items Seller shall make (at a total cost to Seller not exceeding the General Repair Limit) and agreeing to accept the balance of General Repair Items in their "as is" condition, subject to Seller's continuing Maintenance Requirement. If neither party delivers such written notice to the other, then either party may terminate this Contract and Buyer shall be refunded the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract.

(c) WOOD DESTROYING ORGANISM ("WDO") INSPECTION AND REPAIR:

- (i) WDO Inspection: The Property may be inspected by a Florida-licensed pest control business ("WDO Inspector") to determine the existence of past or present WDO infestation and damage caused by infestation ("WDO Inspection"). Buyer shall, within the Inspection Period, deliver a copy of the WDO Inspector's written report to Seller if any evidence of WDO infestation or damage is found. "Wood Destroying Organism" ("WDO") means arthropod or plant life, including termites, powder-post beetles, oldhouse borers and wood-decaying fungi, that damages or infests seasoned wood in a structure, excluding fences.
- (ii) WDO Repairs: If Seller previously treated the Property for the type of WDO found by Buyer's WDO Inspection, Seller does not have to retreat the Property if there is no visible live infestation, and Seller, at Seller's cost, transfers to Buyer at Closing a current full treatment warranty for the type of WDO found. Seller will, within 5 days after receipt of Buyer's WDO Inspector's report, have reported WDO damage estimated by an appropriately licensed person, necessary corrective treatment, if any, estimated by a WDO Inspector, and a copy delivered to Buyer. Seller will have treatments and repairs made in accordance with Paragraph 12(f) below up to the WDO Repair Limit. If cost to treat and repair the WDO infestations and damage to Property exceeds the WDO Repair Limit, then within 5 days after receipt of Seller's estimate, Buyer may deliver written notice to Seller agreeing to pay the excess, or designating which WDO repairs Seller shall make (at a total cost to Seller not exceeding the WDO Repair Limit), and accepting the balance of the Property in its "as is" condition with regard to WDO infestation and damage, subject to Seller's continuing Maintenance Requirement. If Buyer does not deliver such written notice to Seller, then either party may terminate this

(d) INSPECTION AND CLOSE-OUT OF BUILDING PERMITS:

Buyer shall, within the Inspection Period, deliver written notice to Seller of the existence of any open or expired building permits or unpermitted improvements to the Property.
- (ii) Close-Out of Building Permits: Seller will, within 5 days after receipt of Buyer's Permit Inspection notice, have an estimate of costs to remedy Permit Inspection items prepared by an appropriately licensed person and a copy delivered to Buyer. No later than 5 days prior to Closing Date, Seller shall, up to the Permit Limit have open and expired building permits identified by Buyer or known to Seller closed by the applicable governmental entity, and obtain and close any required building permits for improvements to the Property. Prior to Closing Date, Seller will provide Buyer with any written documentation that all open and expired building permits identified by Buyer or known to Seller have been closed out and that Seller has obtained required building permits for improvements to the Property. If final permit inspections cannot be performed due to delays by the governmental entity, Closing Date shall be extended for up to 10 days to complete such final inspections, failing which, either party may terminate this Contract, and Buyer shall be refunded the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract.
- If cost to close open or expired building permits or to remedy any permit violation of any governmental entity exceeds Permit Limit, then within 5 days after a party's receipt of estimates of cost to remedy: (A) Seller may elect to pay the excess by delivering written notice to Buyer; or (B) Buyer may deliver written notice to Seller accepting the Property in its "as is" condition with regard to building permit status and agreeing to receive credit from Seller at Closing in the amount of Permit Limit. If neither party delivers such written notice to the other, then either party may terminate this Contract and Buyer shall be refunded the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract.
- (e) WALK-THROUGH INSPECTION/RE-INSPECTION: On the day prior to Closing Date, or on Closing Date prior to time of Closing, as specified by Buyer, Buyer or Buyer's representative may perform a walk-through (and follow-up walk-through, if necessary) inspection of the Property solely to confirm that all items of Personal Property are on the Property and to verify that Seller has maintained the Property as required by the Maintenance Requirement, has made repairs and replacements required by this Contract, and has met all other contractual obligations.
- (f) REPAIR STANDARDS; ASSIGNMENT OF REPAIR AND TREATMENT CONTRACTS AND WARRANTIES:

 All repairs and replacements shall be completed in a good and workmanlike manner by an appropriately licensed person, in accordance with all requirements of law, and shall consist of materials or items of quality, value, capacity and performance comparable to, or better than, that existing as of the Effective Date. Except as provided in Paragraph 12(c)(ii), at Buyer's option and cost, Seller will, at Closing, assign all assignable repair,

professionals for legal, tax, environmental, and other specialized advice concerning matters affecting the Property and the transaction contemplated by this Contract. Broker represents to Buyer that Broker does not reside on the Property and that all representations (oral, written or otherwise) by Broker are based on Seller representations or BUYER AGREES TO RELY SOLELY ON SELLER, PROFESSIONAL INSPECTORS AND GOVERNMENTAL AGENCIES FOR VERIFICATION OF PROPERTY CONDITION, SQUARE FOOTAGE AND FACTS THAT MATERIALLY AFFECT PROPERTY VALUE AND NOT ON THE REPRESENTATIONS (ORAL, WRITTEN OR OTHERWISE) OF BROKER. Buyer and Seller (individually, the "Indemnifying Party") each individually indemnifies, holds harmless, and releases Broker and Broker's officers, directors, agents and employees from all liability for loss or damage, including all costs and expenses, and reasonable attorney's fees at all levels, suffered or incurred by Broker and Broker's officers, directors, agents and employees in connection with or arising from claims, demands or causes of action instituted by Buyer or Seller based on: (i) inaccuracy of information provided by the Indemnifying Party or from public records; (ii) Indemnifying Party's misstatement(s) or failure to perform contractual obligations; (iii) Broker's performance, at Indemnifying Party's request, of any task beyond the scope of services regulated by Chapter 475, F.S., as amended, including Broker's referral, recommendation or retention of any vendor for, or on behalf of Indemnifying Party; (iv) products or services provided by any such vendor for, or on behalf of, Indemnifying Party; and (v) expenses incurred by any such vendor. Buyer and Seller each assumes full responsibility for selecting and compensating their respective vendors and paying their other costs under this Contract whether or not this transaction closes. This Paragraph 14 will not relieve Broker of statutory obligations under Chapter 475, F.S., as amended. For purposes of this Paragraph 14, Broker will be treated as a party to this Contract. This Paragraph 14 shall survive Closing or termination of this Contract.

- (a) BUYER DEFAULT: If Buyer fails, neglects or refuses to perform Buyer's obligations under this Contract, including payment of the Deposit, within the time(s) specified, Seller may elect to recover and retain the Deposit for the account of Seller as agreed upon liquidated damages, consideration for execution of this Contract, and in full settlement of any claims, whereupon Buyer and Seller shall be relieved from all further obligations under this Contract, or Seller, at Seller's option, may, pursuant to Paragraph 16, proceed in equity to enforce Seller's rights under this Contract. The portion of the Deposit, if any, paid to Listing Broker upon default by Buyer, shall be split equally between Listing Broker and Cooperating Broker; provided however, Cooperating Broker's share shall not be greater than the commission amount Listing Broker had agreed to pay to Cooperating Broker.
- (b) SELLER DEFAULT: If for any reason other than failure of Seller to make Seller's title marketable after reasonable diligent effort, Seller fails, neglects or refuses to perform Seller's obligations under this Contract, Buyer may elect to receive return of Buyer's Deposit without thereby waiving any action for damages resulting from Seller's breach, and, pursuant to Paragraph 16, may seek to recover such damages or seek specific performance.
- This Paragraph 15 shall survive Closing or termination of this Contract.
- 16. DISPUTE RESOLUTION: Unresolved controversies, claims and other matters in question between Buyer and Seller arising out of, or relating to, this Contract or its breach, enforcement or interpretation ("Dispute") will be settled as follows:
 - (a) Buyer and Seller will have 10 days after the date conflicting demands for the Deposit are made to attempt to resolve such Dispute, failing which, Buyer and Seller shall submit such Dispute to mediation under Paragraph 16(b).
 - (b) Buyer and Seller shall attempt to settle Disputes in an amicable manner through mediation pursuant to Florida Rules for Certified and Court-Appointed Mediators and Chapter 44, F.S., as amended (the "Mediation Rules"). The mediator must be certified or must have experience in the real estate industry. Injunctive relief may be sought without first complying with this Paragraph 16(b). Disputes not settled pursuant to this Paragraph 16 may be resolved by instituting action in the appropriate court having jurisdiction of the matter.

This Paragraph 16 shall survive Closing or termination of this Contract.

17. ATTORNEY'S FEES; COSTS: The parties will split equally any mediation fee incurred in any mediation permitted by this Contract, and each party will pay their own costs, expenses and fees, including attorney's fees, incurred in conducting the mediation. In any litigation permitted by this Contract, the prevailing party shall be entitled to recover from the non-prevailing party costs and fees, including reasonable attorney's fees, incurred in conducting the litigation. This Paragraph 17 shall survive Closing or termination of this Contract.

STANDARDS FOR REAL ESTATE TRANSACTIONS ("STANDARDS")

388 **18. STANDARDS**:

A. TITLE:

390 (i) TITLE EVIDENCE; RESTRICTIONS; EASEMENTS; LIMITATIONS: Within the time period provided in Paragraph 9(c), the Title Commitment, with legible copies of instruments listed as exceptions attached thereto, shall

be issued and delivered to Buyer. The Title Commitment shall set forth those matters to be discharged by Seller at or 393 before Closing and shall provide that, upon recording of the deed to Buyer, an owner's policy of title insurance in the 394 amount of the Purchase Price, shall be issued to Buyer insuring Buyer's marketable title to the Real Property, subject only to the following matters: (a) comprehensive land use plans, zoning, and other land use restrictions, prohibitions 396 and requirements imposed by governmental authority; (b) restrictions and matters appearing on the Plat or otherwise common to the subdivision; (c) outstanding oil, gas and mineral rights of record without right of entry; (d) unplatted 398 public utility easements of record (located contiguous to real property lines and not more than 10 feet in width as to 399 rear or front lines and 7 1/2 feet in width as to side lines); (e) taxes for year of Closing and subsequent years; and (f) assumed mortgages and purchase money mortgages, if any (if additional items, attach addendum); provided, that, 401 unless waived by Paragraph 12 (a), there exists at Closing no violation of the foregoing and none prevent use of the 402 Property for RESIDENTIAL PURPOSES. If there exists at Closing any violation of items identified in (b) – (f) above, then the same shall be deemed a title defect. Marketable title shall be determined according to applicable Title 404 Standards adopted by authority of The Florida Bar and in accordance with law. 405

(ii) TITLE EXAMINATION: Buyer shall have 5 days after receipt of Title Commitment to examine it and notify Seller in writing specifying defect(s), if any, that render title unmarketable. If Seller provides Title Commitment and it 407 is delivered to Buyer less than 5 days prior to Closing Date, Buyer may extend Closing for up to 5 days after 408 date of receipt to examine same in accordance with this STANDARD A. Seller shall have 30 days ("Cure Period") after receipt of Buyer's notice to take reasonable diligent efforts to remove defects. If Buyer fails to so notify Seller, 410 Buyer shall be deemed to have accepted title as it then is. If Seller cures defects within Cure Period, Seller will 411 deliver written notice to Buyer (with proof of cure acceptable to Buyer and Buyer's attorney) and the parties will close this Contract on Closing Date (or if Closing Date has passed, within 10 days after Buyer's receipt of Seller's notice). If Seller is unable to cure defects within Cure Period, then Buyer may, within 5 days after expiration of 415 Cure Period, deliver written notice to Seller: (a) extending Cure Period for a specified period not to exceed 120 days within which Seller shall continue to use reasonable diligent effort to remove or cure the defects ("Extended Cure 416 Period"); or (b) electing to accept title with existing defects and close this Contract on Closing Date (or if Closing Date has passed, within the earlier of 10 days after end of Extended Cure Period or Buyer's receipt of Seller's notice), or (c) electing to terminate this Contract and receive a refund of the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract. If after reasonable diligent effort, Seller is unable to timely cure defects, 420 and Buyer does not waive the defects, this Contract shall terminate, and Buyer shall receive a refund of the Deposit, 421 thereby releasing Buyer and Seller from all further obligations under this Contract. 422

- B. **SURVEY**: If Survey discloses encroachments on the Real Property or that improvements located thereon encroach on setback lines, easements, or lands of others; or violate any restrictions, covenants, or applicable governmental regulations described in STANDARD A (i)(a), (b) or (d) above, Buyer shall deliver written notice of such matters, together with a copy of Survey, to Seller within 5 days after Buyer's receipt of Survey, but no later than Closing. If Buyer timely delivers such notice and Survey to Seller, such matters identified in the notice and Survey shall constitute a title defect, subject to cure obligations of STANDARD A above. If Seller has delivered a prior survey, Seller shall, at Buyer's request, execute an affidavit of "no change" to the Real Property since the preparation of such prior survey, to the extent the affirmations therein are true and correct.
- C. **INGRESS AND EGRESS**: Seller represents that there is ingress and egress to the Real Property and title to the Real Property is insurable in accordance with STANDARD A without exception for lack of legal right of access.
- D. LEASES: Seller shall, within 5 days after Inspection Period, furnish to Buyer copies of all written leases and 433 estoppel letters from each tenant specifying nature and duration of tenant's occupancy, rental rates, advanced rent 434 and security deposits paid by tenant, and income and expense statements for preceding 12 months ("Lease 435 Information"). If Seller is unable to obtain estoppel letters from tenant(s), the same information shall be furnished by 436 Seller to Buyer within that time period in the form of a Seller's affidavit, and Buyer may thereafter contact tenant(s) to confirm such information. If terms of the lease(s) differ materially from Seller's representations, Buyer may deliver 438 written notice to Seller within 5 days after receipt of Lease Information, but no later than 5 days prior to Closing 439 Date, terminating this Contract and receive a refund of the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract. Seller shall, at Closing, deliver and assign all original leases to Buyer who shall assume Seller's obligation thereunder. 442
- E. **LIENS**: Seller shall furnish to Buyer at Closing an affidavit attesting; (i) to the absence of any financing statement, claims of lien or potential lienors known to Seller, and (ii) that there have been no improvements or repairs to the Real Property for 90 days immediately preceding Closing Date. If the Real Property has been improved or repaired within that time, Seller shall deliver releases or waivers of construction liens executed by all general contractors, subcontractors, suppliers and materialmen in addition to Seller's lien affidavit setting forth names of all such general contractors, subcontractors, suppliers and materialmen, further affirming that all charges for improvements or repairs which could serve as a basis for a construction lien or a claim for damages have been paid or will be paid at Closing.
- 151 F. TIME: Calendar days shall be used in computing time periods. Any time periods provided for in this Contract

which shall end on a Saturday, Sunday, or a national legal holiday (see 5 U.S.C. 6103) shall extend to 5:00 p.m. (where the Property is located) of the next business day. Time is of the essence in this Contract.

- G. FORCE MAJEURE: Buyer or Seller shall not be required to perform any obligation under this Contract or be 455 liable to each other for damages so long as performance or non-performance of the obligation is delayed, caused or prevented by Force Majeure. "Force Majeure" means: hurricanes, earthquakes, floods, fire, acts of God, unusual 457 transportation delays, wars, insurrections, acts of terrorism, and any other cause not reasonably within control of 458 Buyer or Seller, and which, by exercise of reasonable diligent effort, the non-performing party is unable in whole or in 459 part to prevent or overcome. All time periods, including Closing Date, will be extended for the period that the Force Majeure prevents performance under this Contract, provided, however, if such Force Majeure continues to prevent 461 performance under this Contract more than 14 days beyond Closing Date, then either party may terminate this Contract by delivering written notice to the other and the Deposit shall be refunded to Buyer, thereby releasing Buyer and Seller from all further obligations under this Contract. 464
- 465 **H. CONVEYANCE**: Seller shall convey marketable title to the Real Property by statutory warranty, trustee's, 466 personal representative's, or guardian's deed, as appropriate to the status of Seller, subject only to matters described 467 in STANDARD A and those accepted by Buyer. Personal Property shall, at request of Buyer, be transferred by 468 absolute bill of sale with warranty of title, subject only to such matters as may be provided for in this Contract.
 - CLOSING LOCATION; DOCUMENTS; AND PROCEDURE:
- 470 (i) **LOCATION**: Closing will take place in the county where the Real Property is located at the office of the 471 attorney or other closing agent ("Closing Agent") designated by the party paying for the owner's policy of title 472 insurance, or, if no title insurance, designated by Seller. Closing may be conducted by mail or electronic means.
- 473 (ii) **CLOSING DOCUMENTS**: At Closing, Seller shall furnish and pay for, as applicable, deed, bill of sale, 474 certificate of title, construction lien affidavit, owner's possession affidavit, assignments of leases, and corrective 475 instruments. Seller shall provide Buyer with paid receipts for all work done on the Property pursuant to this Contract. 476 Buyer shall furnish and pay for, as applicable, mortgage, mortgage note, security agreement, financing statements, 477 survey, base elevation certification, and other documents required by Buyer's lender.
- 478 (iii) **PROCEDURE**: The deed shall be recorded upon COLLECTION of all closing funds. If the Title Commitment provides insurance against adverse matters pursuant to Section 627.7841, F.S., as amended, the escrow closing procedure required by STANDARD J shall be waived, and Closing Agent shall, **subject to** 481 **COLLECTION** of all closing funds, disburse at Closing the brokerage fees to Broker and the net sale proceeds to Seller.
- J. ESCROW CLOSING PROCEDURE: If Title Commitment issued pursuant to Paragraph 9(c) does not provide 483 for insurance against adverse matters as permitted under Section 627.7841, F.S., as amended, the following escrow 484 and closing procedures shall apply: (1) all Closing proceeds shall be held in escrow by the Closing Agent for a period 485 of not more than 10 days after Closing; (2) if Seller's title is rendered unmarketable, through no fault of Buyer, Buyer shall, within the 10 day period, notify Seller in writing of the defect and Seller shall have 30 days from date of receipt 487 of such notification to cure the defect; (3) if Seller fails to timely cure the defect, the Deposit and all Closing funds 488 paid by Buyer shall, within 5 days after written demand by Buyer, be refunded to Buyer and, simultaneously with such repayment, Buyer shall return the Personal Property, vacate the Real Property and re-convey the Property to 490 Seller by special warranty deed and bill of sale; and (4) if Buyer fails to make timely demand for refund of the 491 Deposit, Buyer shall take title as is, waiving all rights against Seller as to any intervening defect except as may be available to Buyer by virtue of warranties contained in the deed or bill of sale. 493
- K. PRORATIONS; CREDITS: The following recurring items will be made current (if applicable) and prorated as of 494 the day prior to Closing Date, or date of occupancy if occupancy occurs before Closing Date: real estate taxes (including special benefit tax assessments imposed by a CDD), interest, bonds, association fees, insurance, rents 496 and other expenses of Property. Buyer shall have option of taking over existing policies of insurance, if assumable, in which event premiums shall be prorated. Cash at Closing shall be increased or decreased as may be required by 498 prorations to be made through day prior to Closing. Advance rent and security deposits, if any, will be credited to 499 Buyer. Escrow deposits held by Seller's mortgagee will be paid to Seller. Taxes shall be prorated based on current year's tax with due allowance made for maximum allowable discount, homestead and other exemptions. If Closing 501 occurs on a date when current year's millage is not fixed but current year's assessment is available, taxes will be 502 prorated based upon such assessment and prior year's millage. If current year's assessment is not available, then taxes will be prorated on prior year's tax. If there are completed improvements on the Real Property by January 1st of 504 year of Closing, which improvements were not in existence on January 1st of prior year, then taxes shall be prorated 505 based upon prior year's millage and at an equitable assessment to be agreed upon between the parties, failing which, request shall be made to the County Property Appraiser for an informal assessment taking into account available 507 508 exemptions. A tax proration based on an estimate shall, at either party's request, be readjusted upon receipt of current year's tax bill. This STANDARD K shall survive Closing.
- 510 L. ACCESS TO PROPERTY TO CONDUCT APPRAISALS, INSPECTIONS, AND WALK-THROUGH: Seller shall, 511 upon reasonable notice, provide utilities service and access to Property for appraisals and inspections, including a

walk-through (or follow-up walk-through if necessary) prior to Closing.

- M. RISK OF LOSS: If, after Effective Date, but before Closing, Property is damaged by fire or other casualty ("Casualty Loss") and cost of restoration (which shall include cost of pruning or removing damaged trees) does not exceed 1.5% of Purchase Price, cost of restoration shall be an obligation of Seller and Closing shall proceed pursuant to terms of this Contract. If restoration is not completed as of Closing, a sum equal to 125% of estimated cost to complete restoration (not to exceed 1.5% of Purchase Price), will be escrowed at Closing. If actual cost of restoration exceeds escrowed amount, Seller shall pay such actual costs (but, not in excess of 1.5% of Purchase Price). Any unused portion of escrowed amount shall be returned to Seller. If cost of restoration exceeds 1.5% of Purchase Price, Buyer shall elect to either take Property "as is" together with the 1.5%, or receive a refund of the Deposit, thereby releasing Buyer and Seller from all further obligations under this Contract. Seller's sole obligation with respect to tree damage by casualty or other natural occurrence shall be cost of pruning or removal.
- N. 1031 EXCHANGE: If either Seller or Buyer wish to enter into a like-kind exchange (either simultaneous with Closing or deferred) under Section 1031 of the Internal Revenue Code ("Exchange"), the other party shall cooperate in all reasonable respects to effectuate the Exchange, including execution of documents; provided, however, cooperating party shall incur no liability or expense related to the Exchange, and Closing shall not be contingent upon, nor extended or delayed by, such Exchange.
- O. CONTRACT NOT RECORDABLE; PERSONS BOUND; NOTICE; COPIES: Neither this Contract nor any notice of it shall be recorded in any public records. This Contract shall be binding on, and inure to the benefit of, the parties and their respective heirs or successors in interest. Whenever the context permits, singular shall include plural and one gender shall include all. Notice and delivery given by or to the attorney or broker (including such broker's real estate licensee) representing any party shall be as effective as if given by or to that party. All notices must be in writing and may be made by mail, personal delivery or electronic (including "pdf") media. A legible facsimile or electronic (including "pdf") copy of this Contract and any signatures hereon shall be considered for all purposes as an original.
- P. INTEGRATION; MODIFICATION: This Contract contains the full and complete understanding and agreement by Buyer and Seller with respect to the transaction contemplated by this Contract and no prior agreements or representations shall be binding upon Buyer or Seller unless included in this Contract. No modification to or change in this Contract shall be valid or binding upon Buyer or Seller unless in writing and executed by the parties intended to be bound by it.
- O. WAIVER: Failure of Buyer or Seller to insist on compliance with, or strict performance of, any provision of this Contract, or to take advantage of any right under this Contract, shall not constitute a waiver of other provisions or rights.
