8. MAINTENANCE, INSPECTIONS AND REPAIR: Seller will keep the Property in the same condition from Effective Date until closing, except for normal wear and tear ("maintenance requirement") and repairs required by this Contract. Seller will provide access and utilities for Buyer's inspections. Buyer will repair all damages to the Property resulting from the inspections, return the Property to its pre-inspection condition and provide Seller with paid receipts for all work done on Property upon its completion. If Seller, using best efforts, is unable to complete required repairs or treatments prior to closing, Seller will give Buyer a credit at closing for the cost of the repairs Seller was obligated to make. At closing, Seller will assign all assignable repair and treatment contracts to Buyer and provide Buyer with paid receipts for all work done on the Property pursuant to the terms of this Contract.

121 (a) Warranty, Inspections and Repair:

122 (1) Warranty: Seller warrants that non-leased major appliances and heating, cooling, mechanical, electrical, security, 123 sprinkler, septic and plumbing systems, seawall, dock and pool equipment, if any, are and will be maintained in working 124 condition until closing; that the structures (including roofs) and pool, if any, are structurally sound and watertight; and that 125 torn or missing pool cage and screen room screens and missing roof tiles will be replaced. Seller does not warrant and is 126 not required to repair cosmetic conditions, unless the cosmetic condition resulted from a defect in a warranted item. 127 Seller is not obligated to bring any item into compliance with existing building code regulations unless necessary to repair 128 a warranted item. "Working condition" means operating in the manner in which the item was designed to operate and 129 "cosmetic conditions" means aesthetic imperfections that do not affect the working condition of the item, including pitted 130 marcite; missing or torn window screens; fogged windows; tears, worn spots and discoloration of floor 131 coverings/wallpapers/window treatments; nail holes, scratches, dents, scrapes, chips and caulking in bathroom ceiling/walls/flooring/tile/fixtures/mirrors; cracked roof tiles; curling or worn shingles; and minor cracks in floor 132 133 tiles/windows/driveways/sidewalks/pool decks/garage and patio floors.

(2) Professional Inspection: Buyer may, at Buyer's expense, have warranted items inspected by a person who
 specializes in and holds an occupational license (if required by law) to conduct home inspections or who holds a Florida
 license to repair and maintain the items inspected ("professional inspector"). Buyer must, within 5 days from the end of the
 Inspection Period, deliver written notice of any items that are not in the condition warranted and a copy of the inspector's
 written report, if any, to Seller. If Buyer fails to deliver timely written notice, Buyer waives Seller's warranty and accepts
 the items listed in subparagraph (a) in their "as is" conditions, except that Seller must meet the maintenance requirement.

140 (3) Repair: Seller will obtain repair estimates and is obligated only to make repairs necessary to bring warranted items 141 into the condition warranted, up to the Repair Limit. Seller may, within 5 days from receipt of Buyer's notice of items 142 that are not in the condition warranted, have a second inspection made by a professional inspector and will report 143 repair estimates to **Buyer**. If the first and second inspection reports differ and the parties cannot resolve the differences, 144 Buyer and Seller together will choose, and equally split the cost of, a third inspector, whose written report will be binding 145 on the parties. If the cost to repair warranted items equals or is less than the Repair Limit, Seller will have the repairs 146 made in a workmanlike manner by an appropriately licensed person. If the cost to repair warranted items exceeds 147 the Repair Limit, either party may cancel this Contract unless either party pays the excess or **Buyer** designates which repairs to make at a total cost to Seller not exceeding the Repair Limit and accepts the balance of the Property in its "as 148 149 is" condition.

(b) Wood-Destroying Organisms: "Wood-destroying organism" means arthropod or plant life, including termites, powder-150 151 post beetles, oldhouse borers and wood-decaying fungi, that damages or infests seasoned wood in a structure, excluding 152 fences. Buver may, at Buver's expense and prior to closing, have the Property inspected by a Florida-licensed pest control 153 business to determine the existence of past or present wood-destroying organism infestation and damage caused by infestation. If 154 the inspector finds evidence of infestation or damage, Buyer will deliver a copy of the inspector's written report to Seller within 5 days from the date of the inspection. If Seller previously treated the Property for wood-destroying organisms, Seller does not have 155 to treat the Property again if (i) there is no visible live infestation, and (ii) Seller transfers a current full treatment warranty to Buyer 156 157 at closing. Otherwise, Seller will have 5 days from receipt of the inspector's report to have reported damage estimated by a licensed 158 building or general contractor and corrective treatment estimated by a licensed pest control business. Seller will have treatments and repairs made by an appropriately licensed person at Seller's expense up to the WDO Repair Limit. If the cost to treat and repair 159 160 the Property exceeds the WDO Repair Limit, either party may pay the excess, failing which either party may cancel this Contract by written notice to the other. If Buyer fails to timely deliver the inspector's written report, Buyer accepts the Property "as is" with 161 regard to wood-destroying organism infestation and damage, subject to the maintenance requirement. 162

(c) Walk-through Inspection: Buyer may walk through the Property solely to verify that Seller has made repairs required
 by this Contract and has met contractual obligations. No other issues may be raised as a result of the walk-through
 inspection. If Buyer fails to conduct this inspection, Seller's repair and maintenance obligations will be deemed fulfilled.

166 9 RISK OF LOSS: If any portion of the Property is damaged by fire or other casualty before closing and can be restored within 167 45 days from the Closing Date to substantially the same condition as it was on Effective Date, Seller will, at Seller's expense, 168 restore the Property and the Closing Date will be extended accordingly. Seller will not be obligated to replace trees. If the 169 restoration cannot be completed in time, Buyer may accept the Property "as is", in which case with Seller will credit the 170 deductible and assign the insurance proceeds, if any, to **Buyer** at closing in such amounts as are (i) attributable to the Property and (ii) not vet expended in making repairs, failing which either party may cancel this Contract. If the Property is a condominium, 171 172 this paragraph applies only to the unit and limited common elements appurtenant to the unit; if the Property is in a homeowners' 173 association, this paragraph will not apply to common elements or recreation or other facilities.

TITLE

176 **10. TITLE: Seller** will convey marketable title to the Property by statutory warranty deed or trustee, personal representative or 177 guardian deed as appropriate to **Seller's** status.

(a) Title Evidence: Title evidence will show legal access to the Property and marketable title of record in Seller in accordance with current title standards adopted by the Florida Bar, subject only to the following title exceptions, none of which prevent residential use of the Property: covenants, easements and restrictions of record; matters of plat; existing zoning and government regulations; oil, gas and mineral rights of record if there is no right of entry; current taxes; mortgages that Buyer will assume; and encumbrances that Seller will discharge at or before closing. Seller will, at least 2 days prior to closing, deliver to Buyer Seller's choice of one of the following types of title evidence, which must be generally accepted in the county where the Property is located (specify in Paragraph 5(c) the selected type). Seller will use option (1) in Palm Beach County and option (2) in Miami-Dade County.

(1) A title insurance commitment issued by a Florida-licensed title insurer in the amount of the purchase price and subject only to title exceptions set forth in this Contract.

187 (2) An existing abstract of title from a reputable and existing abstract firm (if firm is not existing, then abstract must be 188 certified as correct by an existing firm) purporting to be an accurate synopsis of the instruments affecting title to the Property recorded in the public records of the county where the Property is located and certified to Effective Date. 189 190 However, if such an abstract is not available to Seller, then a prior owner's title policy acceptable to the proposed 191 insurer as a base for reissuance of coverage. Seller will pay for copies of all policy exceptions and an update in a format 192 acceptable to Buyer's closing agent from the policy effective date and certified to Buyer or Buyer's closing agent, 193 together with copies of all documents recited in the prior policy and in the update. If a prior policy is not available to Seller 194 then (1) above will be the title evidence. Title evidence will be delivered no later than 10 days before Closing Date.

(b) Title Examination: Buyer will examine the title evidence and deliver written notice to Seller, within 5 days from receipt of title evidence but no later than closing, of any defects that make the title unmarketable. Seller will have 30 days from receipt of Buyer's notice of defects ("Curative Period") to cure the defects at Seller's expense. If Seller cures the defects within the Curative Period, Seller will deliver written notice to Buyer and the parties will close the transaction on Closing Date or within 10 days from Buyer's receipt of Seller's notice if Closing Date has passed. If Seller is unable to cure the defects within the Curative Period, Seller will deliver written notice to Buyer and Buyer will, within 10 days from receipt of Seller's notice, either cancel this Contract or accept title with existing defects and close the transaction.

(c) Survey: Buyer may, at Buyer's expense, have the Property surveyed and deliver written notice to Seller, within 5 days
 from receipt of survey but no later than closing, of any encroachments on the Property, encroachments by the Property's
 improvements on other lands or deed restriction or zoning violations. Any such encroachment or violation will be treated in
 the same manner as a title defect and Buyer's and Seller's obligations will be determined in accordance with subparagraph
 (b) above. If any part of the Property lies seaward of the coastal construction control line, Seller will provide Buyer with an affidavit
 or survey as required by law delineating the line's location on the property, unless Buyer waives this requirement in writing.

MISCELLANEOUS

11. EFFECTIVE DATE; TIME: The "Effective Date" of this Contract is the date on which the last of the parties initials or signs
the latest offer. Time is of the essence for all provisions of this Contract. All time periods will be computed in business days
(a "business day" is every calendar day except Saturday, Sunday and national legal holidays). If any deadline falls on a
Saturday, Sunday or national legal holiday, performance will be due the next business day. All time periods will end at 5:00 p.m.
local time (meaning in the county where the Property is located) of the appropriate day.

12. NOTICES: All notices will be made to the parties and Broker by mail, personal delivery or electronic media. Buyer's failure to deliver timely written notice to Seller, when such notice is required by this Contract, regarding any contingencies will render that contingency null and void and the Contract will be construed as if the contingency did not exist. Any notice, document or item given to or received by an attorney or Broker (including a transaction broker) representing a party will be as effective as if given to or by that party.

13. COMPLETE AGREEMENT: This Contract is the entire agreement between Buyer and Seller. Except for brokerage 219 220 agreements, no prior or present agreements will bind Buyer, Seller or Broker unless incorporated into this Contract. Modifications of this Contract will not be binding unless in writing, signed or initialed and delivered by the party to be bound. 221 Signatures, initials, documents referenced in this Contract, counterparts and written modifications communicated electronically 222 or on paper will be acceptable for all purposes, including delivery, and will be binding. Handwritten or typewritten terms inserted 223 in or attached to this Contract prevail over preprinted terms. If any provision of this Contract is or becomes invalid or 224 unenforceable, all remaining provisions will continue to be fully effective. Buyer and Seller will use diligence and good faith in 225 226 performing all obligations under this Agreement. This Contract will not be recorded in any public records.

14. ASSIGNABILITY; PERSONS BOUND: Buyer may not assign this Contract without Seller's written consent. The terms "
 Buyer," "Seller," and "Broker" may be singular or plural. This Contract is binding on the heirs, administrators, executors,
 personal representatives and assigns (if permitted) of Buyer, Seller and Broker.

230

DEFAULT AND DISPUTE RESOLUTION

15. DEFAULT: (a) Seller Default: If for any reason other than failure of Seller to make Seller's title marketable after diligent effort,
 Seller fails, refuses or neglects to perform this Contract, Buyer may choose to receive a return of Buyer's deposit without waiving the
 right to seek damages or to seek specific performance as per Paragraph 16. Seller will also be liable to Broker for the full amount of the

brokerage fee. (b) Buyer Default: If Buyer fails to perform this Contract within the time specified, including timely payment of all deposits, Seller may choose to retain and collect all deposits paid and agreed to be paid as liquidated damages or to seek specific performance as per Paragraph 16; and Broker will, upon demand, receive 50% of all deposits paid and agreed to be paid (to be split equally among cooperating brokers except when closing does not occur due to **Buyer** not being able to secure Financing after providing a Commitment, in which case Broker's portion of the deposits will go solely to the listing broker) up to the full amount of the brokerage fee.

16. DISPUTE RESOLUTION: This Contract will be construed under Florida law. All controversies, claims and other matters in question arising out of or relating to this transaction or this Contract or its breach will be settled as follows:

(a) Disputes concerning entitlement to deposits made and agreed to be made: Buyer and Seller will have 30 days from
 the date conflicting demands are made to attempt to resolve the dispute through mediation. If that fails, Escrow Agent will
 submit the dispute, if so required by Florida law, to Escrow Agent's choice of arbitration, a Florida court or the Florida Real
 Estate Commission. Buyer and Seller will be bound by any resulting award, judgment or order.

(b) All other disputes: Buyer and Seller will have 30 days from the date a dispute arises between them to attempt to 246 247 resolve the matter through mediation, failing which the parties will resolve the dispute through neutral binding arbitration in 248 the county where the Property is located. The arbitrator may not alter the Contract terms or award any remedy not provided 249 for in this Contract. The award will be based on the greater weight of the evidence and will state findings of fact and the 250 contractual authority on which it is based. If the parties agree to use discovery, it will be in accordance with the Florida Rules 251 of Civil Procedure and the arbitrator will resolve all discovery-related disputes. Any disputes with a real estate licensee or 252 firm named in Paragraph 19 will be submitted to arbitration only if the licensee's broker consents in writing to become a party 253 to the proceeding. This clause will survive closing.

(c) Mediation and Arbitration; Expenses: "Mediation" is a process in which parties attempt to resolve a dispute by 254 255 submitting it to an impartial mediator who facilitates the resolution of the dispute but who is not empowered to impose a 256 settlement on the parties. Mediation will be in accordance with the rules of the American Arbitration Association ("AAA") or 257 other mediator agreed on by the parties. The parties will equally divide the mediation fee, if any. "Arbitration" is a process in which the parties resolve a dispute by a hearing before a neutral person who decides the matter and whose decision is 258 259 binding on the parties. Arbitration will be in accordance with the rules of the AAA or other arbitrator agreed on by the parties. 260 Each party to any arbitration will pay its own fees, costs and expenses, including attorneys' fees, and will equally split the 261 arbitrators' fees and administrative fees of arbitration.

262

ESCROW AGENT AND BROKER

17. ESCROW AGENT: Buyer and Seller authorize Escrow Agent to receive, deposit and hold funds and other items in escrow and, subject to clearance, disburse them upon proper authorization and in accordance with Florida law and the terms of this Contract, including disbursing brokerage fees. The parties agree that Escrow Agent will not be liable to any person for misdelivery of escrowed items to Buyer or Seller, unless the misdelivery is due to Escrow Agent's willful breach of this Contract or gross negligence. If Escrow Agent interpleads the subject matter of the escrow, Escrow Agent will pay the filing fees and costs from the deposit and will recover reasonable attorneys' fees and costs to be paid from the escrowed funds or equivalent and charged and awarded as court costs in favor of the prevailing party. All claims against Escrow Agent will be arbitrated, so long as Escrow Agent consents to arbitrate.

270 18. PROFESSIONAL ADVICE: BROKER LIABILITY: Broker advises Buyer and Seller to verify all facts and representations that 271 are important to them and to consult an appropriate professional for legal advice (for example, interpreting contracts, determining the 272 effect of laws on the Property and transaction, status of title, foreign investor reporting requirements, etc.) and for tax, property condition, environmental and other specialized advice. Buyer acknowledges that Broker does not reside in the Property and that all 273 representations (oral, written or otherwise) by Broker are based on Seller representations or public records. Buyer agrees to rely 274 275 solely on Seller, professional inspectors and governmental agencies for verification of the Property condition, square footage 276 and facts that materially affect Property value. Buyer and Seller respectively will pay all costs and expenses, including reasonable attorneys' fees at all levels, incurred by Broker and Broker's officers, directors, agents and employees in connection with or arising from 277 278 Buyer's or Seller's misstatement or failure to perform contractual obligations. Buyer and Seller hold harmless and release Broker and Broker's officers, directors, agents and employees from all liability for loss or damage based on (1) Buyer's or Seller's misstatement or 279 failure to perform contractual obligations; (2) Broker's performance, at Buyer's and/or Seller's request, of any task beyond the scope of 280 281 services regulated by Chapter 475, F.S., as amended, including Broker's referral, recommendation or retention of any vendor; (3) 282 products or services provided by any vendor; and (4) expenses incurred by any vendor. Buyer and Seller each assume full responsibility for selecting and compensating their respective vendors. This paragraph will not relieve Broker of statutory obligations. 283 284 For purposes of this paragraph, Broker will be treated as a party to this Contract. This paragraph will survive closing.

19. BROKERS: The licensee(s) and brokerage(s) named below are collectively referred to as "Broker." Instruction to Closing Agent: Seller and Buyer direct closing agent to disburse at closing the full amount of the brokerage fees as specified in separate brokerage agreements with the parties and cooperative agreements between the brokers, except to the extent Broker has retained such fees from the escrowed funds. In the absence of such brokerage agreements, closing agent will disburse brokerage fees as indicated below. This paragraph will not be used to modify any MLS or other offer of compensation made by Seller or listing broker to cooperating brokers.
