112 **Buyer** (_____) (_____) and **Seller** (_____) (_____) acknowledge receipt of a copy of this page, which is Page 2 of 8 Pages.

113 **7. REAL PROPERTY DISCLOSURES:** **Seller** represents that **Seller** does not know of any facts that materially affect the value
114 of the Property, including but not limited to violations of governmental laws, rules and regulations, other than those that **Buyer**
115 can readily observe or that are known by or have been disclosed to **Buyer**.

116 **(a) Energy Efficiency:** **Buyer** acknowledges receipt of the energy-efficiency information brochure required by Section
117 553.996, *Florida Statutes*.

118 **(b) Radon Gas:** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient
119 quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state
120 guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained
121 from your county public health unit. **Buyer** may, within the Inspection Period, have an appropriately licensed person test the
122 Property for radon. If the radon level exceeds acceptable EPA standards, **Seller** may choose to reduce the radon level to an
123 acceptable EPA level, failing which either party may cancel this Contract.

124 **(c) Flood Zone:** **Buyer** is advised to verify by survey, with the lender and with appropriate government agencies which flood
125 zone the Property is in, whether flood insurance is required and what restrictions apply to improving the Property and rebuilding
126 in the event of casualty. If the Property is in a Special Flood Hazard Area or Coastal High Hazard Area **and** the buildings are
127 built below the minimum flood elevation, **Buyer** may cancel this Contract by delivering written notice to **Seller** within 20 days
128 from Effective Date, failing which **Buyer** accepts the existing elevation of the buildings and zone designation of the Property.

129 **(d) Homeowners' Association:** If membership in a homeowners' association is mandatory, an association disclosure
130 summary is attached and incorporated into this Contract. **BUYER SHOULD NOT SIGN THIS CONTRACT UNTIL BUYER HAS**
131 **RECEIVED AND READ THE DISCLOSURE SUMMARY.**

132 **(e) PROPERTY TAX DISCLOSURE SUMMARY:** **BUYER** SHOULD NOT RELY ON THE **SELLER'S** CURRENT PROPERTY
133 TAXES AS THE AMOUNT OF PROPERTY TAXES THAT **BUYER** MAY BE OBLIGATED TO PAY IN THE YEAR SUBSEQUENT
134 TO PURCHASE. A CHANGE OF OWNERSHIP OR PROPERTY IMPROVEMENTS TRIGGERS REASSESSMENTS OF THE
135 PROPERTY THAT COULD RESULT IN HIGHER PROPERTY TAXES. IF YOU HAVE ANY QUESTIONS CONCERNING
136 VALUATION, CONTACT THE COUNTY PROPERTY APPRAISER'S OFFICE FOR FURTHER INFORMATION.

137 **(f) Mold:** Mold is part of the natural environment that, when accumulated in sufficient quantities, may present health risks to
138 susceptible persons. For more information, contact the county indoor air quality specialist or other appropriate professional.

139 **(g) Coastal Construction Control Line:** If any part of the Property lies seaward of the coastal construction control line as
140 defined in Section 161.053 of the Florida Statutes, **Seller** shall provide **Buyer** with an affidavit or survey as required by law
141 delineating the line's location on the Property, unless **Buyer** waives this requirement in writing. The Property being purchased
142 may be subject to coastal erosion and to federal, state, or local regulations that govern coastal property, including delineation
143 of the coastal construction control line, rigid coastal protection structures, beach nourishment, and the protection of marine
144 turtles. Additional information can be obtained from the Florida Department of Environmental Protection, including whether
145 there are significant erosion conditions associated with the shoreline of the Property being purchased.

146 ☐ **Buyer** waives the right to receive a CCCL affidavit or survey.

147 **8. MAINTENANCE, INSPECTIONS AND REPAIR:** **Seller** will keep the Property in the same condition from Effective Date until
148 closing, except for normal wear and tear ("Maintenance Requirement") and repairs required by this Contract. **Seller** will provide
149 access and utilities for **Buyer's** inspections. **Buyer** will repair all damages to the Property resulting from the inspections,
150 return the Property to its pre-inspection condition and provide **Seller** with paid receipts for all work done on Property upon its
151 completion. If **Seller** is unable to complete required repairs or treatments or meet the Maintenance Requirement prior to
152 closing, **Seller** will give **Buyer** a credit at closing for the cost of the repairs and maintenance **Seller** was obligated to perform. At
153 closing, **Seller** will assign all assignable repair and treatment contracts to **Buyer** and provide **Buyer** with paid receipts for all
154 work done on the Property pursuant to the terms of this Contract. At closing, **Seller** will provide **Buyer** with any written
155 documentation that all open permits have been closed out and that **Seller** has obtained required permits for improvements to
156 the Property.

157 **(a) Warranty, Inspections and Repair:**

158 **(1) Warranty:** **Seller** warrants that non-leased major appliances and heating, cooling, mechanical, electrical, security,
159 sprinkler, septic and plumbing systems, seawall, dock and pool equipment, if any, are and will be maintained in
160 working condition until closing; that the structures (including roofs, doors and windows) and pool, if any, are structurally
161 sound and watertight; and that torn or missing screens and missing roof tiles will be repaired or replaced. **Seller**
162 warrants that all open permits will be closed out and that **Seller** will obtain any required permits for improvements to
163 the Property prior to Closing Date. **Seller** does not warrant and is not required to repair cosmetic conditions, unless the
164 cosmetic condition resulted from a defect in a warranted item. **Seller** is not obligated to bring any item into compliance
165 with existing building code regulations unless necessary to repair a warranted item. "Working condition" means operating
166 in the manner in which the item was designed to operate and "cosmetic conditions" means aesthetic imperfections
167 that do not affect the working condition of the item, including pitted marcite; tears, worn spots and discoloration of floor
168 coverings/wallpapers/window treatments; nail holes, scratches, dents, scrapes, chips and caulking in bathroom
169 ceiling/walls/flooring/tile/fixtures/ mirrors; cracked roof tiles; curling or worn shingles; and minor cracks in floor
170 tiles/windows/driveways/sidewalks/pool decks/garage and patio floors.

171 **(2) Professional Inspection:** **Buyer** may, at **Buyer's** expense, have warranted items inspected by a person who
172 specializes in and holds an occupational license (if required by law) to conduct home inspections or who holds a Florida
173 license to repair and maintain the items inspected ("professional inspector"). **Buyer** must, within 5 days from the end of

174 **Buyer** (_____) (_____) and **Seller** (_____) (_____) acknowledge receipt of a copy of this page, which is Page 3 of 8 Pages.

the Inspection Period, deliver written notice of any items that are not in the condition warranted and a copy of the portion of inspector's written report dealing with such items to **Seller**. If **Buyer** fails to deliver timely written notice, **Buyer** waives **Seller's** warranty and accepts the items listed in subparagraph (a) in their "as is" conditions, except that **Seller** must meet the maintenance requirement.

(3) Repair: **Seller** will obtain repair estimates and is obligated only to make repairs necessary to bring warranted items into the condition warranted, up to the Repair Limit. **Seller** may, within 5 days from receipt of **Buyer's** notice of items that are not in the condition warranted, have a second inspection made by a professional inspector and will report repair estimates to **Buyer**. If the first and second inspection reports differ and the parties cannot resolve the differences, **Buyer** and **Seller** together will choose, and equally split the cost of, a third inspector, whose written report will be binding on the parties. If the cost to repair warranted items equals or is less than the Repair Limit, **Seller** will have the repairs made in a workmanlike manner by an appropriately licensed person. If the cost to repair warranted items exceeds the Repair Limit, either party may cancel this Contract unless either party pays the excess or **Buyer** designates which repairs to make at a total cost to **Seller** not exceeding the Repair Limit and accepts the balance of the Property in its "as is" condition.

(4) Permits: **Seller** shall close out any open permits and remedy any violation of any governmental entity, including but not limited to, obtaining any required permits for improvements to the Property, up to the Permit Limit, and with final inspections completed no later than 5 days prior to Closing Date. If final inspections cannot be performed due to delays by the governmental entity, Closing Date shall be extended for up to 10 days to complete such final inspections, failing which, either party may cancel this Contract and **Buyer's** deposit shall be refunded. If the cost to close out open permits or to remedy any violation of any governmental entity exceeds the Permit Limit, either party may cancel the Contract unless either party pays the excess or **Buyer** accepts the Property in its "as is" condition and **Seller** credits **Buyer** at closing the amount of the Permit Limit.

(b) Wood-Destroying Organisms: "Wood-destroying organism" means arthropod or plant life, including termites, powder-post beetles, oldhouse borers and wood-decaying fungi, that damages or infests seasoned wood in a structure, excluding fences. **Buyer** may, at **Buyer's** expense, have the Property inspected by a Florida-licensed pest control business to determine the existence of past or present wood-destroying organism infestation and damage caused by infestation. If the inspector finds evidence of infestation or damage, **Buyer** will deliver a copy of the inspector's written report to **Seller** within 5 days from the date of the inspection. If **Seller** previously treated the Property for the type of wood-destroying organisms found, **Seller** does not have to treat the Property again if (i) there is no visible live infestation, and (ii) **Seller** transfers to **Buyer** at closing a current full treatment warranty for the type of wood-destroying organisms found. Otherwise, **Seller** will have 5 days from receipt of the inspector's report to have reported damage estimated by a licensed building or general contractor and corrective treatment estimated by a licensed pest control business. **Seller** will have treatments and repairs made by an appropriately licensed person at **Seller's** expense up to the WDO Repair Limit. If the cost to treat and repair the Property exceeds the WDO Repair Limit, either party may pay the excess, failing which either party may cancel this Contract by written notice to the other. If **Buyer** fails to timely deliver the inspector's written report, **Buyer** accepts the Property "as is" with regard to wood-destroying organism infestation and damage, subject to the maintenance requirement.

(c) Walk-through Inspection/Reinspection: **Buyer**, and/or **Buyer's** representative, may walk through the Property solely to verify that **Seller** has made repairs required by this Contract, has met the Maintenance Requirement and has met contractual obligations. If **Buyer**, and/or **Buyer's** representative, fails to conduct this inspection, **Seller's** repair obligations and Maintenance Requirement will be deemed fulfilled.

9. RISK OF LOSS: If any portion of the Property is damaged by fire or other casualty before closing and can be restored by the Closing Date or within 45 days after the Closing Date to substantially the same condition as it was on Effective Date, **Seller**, will, at **Seller's** expense, restore the Property and deliver written notice to **Buyer** that **Seller** has completed the restoration, and the parties will close the transaction on the later of: (1) Closing Date; or, (2) 10 days after **Buyer's** receipt of **Seller's** notice. **Seller** will not be obligated to replace trees. If the restoration cannot be completed in time, **Buyer** may cancel this Contract and **Buyer's** deposit shall be refunded, or **Buyer** may accept the Property "as is", and **Seller** will credit the deductible and assign the insurance proceeds, if any, to **Buyer** at closing in such amounts as are (i) attributable to the Property and (ii) not yet expended in restoring the Property to the same condition as it was on Effective Date.

TITLE

10. TITLE: **Seller** will convey marketable title to the Property by statutory warranty deed or trustee, personal representative or guardian deed as appropriate to **Seller's** status.

(a) Title Evidence: Title evidence will show legal access to the Property and marketable title of record in **Seller** in accordance with current title standards adopted by the Florida Bar, subject only to the following title exceptions, none of which prevent residential use of the Property: covenants, easements and restrictions of record; matters of plat; existing zoning and government regulations; oil, gas and mineral rights of record if there is no right of entry; current taxes; mortgages that **Buyer** will assume; and encumbrances that **Seller** will discharge at or before closing. **Seller** will, at least 2 days prior to closing, deliver to **Buyer**, **Seller's** choice of one of the following types of title evidence, which must be generally accepted in the county where the Property is located (specify in Paragraph **5(c)** the selected type). **Seller** will use option (1) in Palm Beach County and option (2) in Miami-Dade County.

(1) A title insurance commitment issued by a Florida-licensed title insurer in the amount of the purchase price and subject only to title exceptions set forth in this Contract.

(2) An existing abstract of title from a reputable and existing abstract firm (if firm is not existing, then abstract must be certified as correct by an existing firm) purporting to be an accurate synopsis of the instruments affecting title to the

Buyer (_____) (_____) and **Seller** (_____) (_____) acknowledge receipt of a copy of this page, which is Page 4 of 8 Pages.

Property recorded in the public records of the county where the Property is located and certified to Effective Date. However, if such an abstract is not available to **Seller**, then a **prior owner's title policy** acceptable to the proposed insurer as a base for reissuance of coverage. **Seller** will pay for copies of all policy exceptions and an update in a format acceptable to **Buyer's** closing agent from the policy effective date and certified to **Buyer** or **Buyer's** closing agent, together with copies of all documents recited in the prior policy and in the update. If a prior policy is not available to **Seller** then (1) above will be the title evidence. Title evidence will be delivered no later than 10 days before Closing Date.

(b) Title Examination: **Buyer** will examine the title evidence and deliver written notice to **Seller**, within 5 days from receipt of title evidence but no later than Closing Date, of any defects that make the title unmarketable. **Seller** will have 30 days from receipt of **Buyer's** notice of defects ("Curative Period") to cure the defects at **Seller's** expense. If **Seller** cures the defects within the Curative Period, **Seller** will deliver written notice to **Buyer** and the parties will close the transaction on Closing Date or within 10 days from **Buyer's** receipt of **Seller's** notice if Closing Date has passed. If **Seller** is unable to cure the defects within the Curative Period, **Seller** will deliver written notice to **Buyer** and **Buyer** will, within 10 days from receipt of **Seller's** notice, either cancel this Contract or accept title with existing defects and close the transaction.

(c) Survey: **Buyer** may, at **Buyer's** expense, have the Property surveyed and deliver written notice to **Seller**, within 5 days from receipt of survey but no later than closing, of any encroachments on the Property, encroachments by the Property's improvements on other lands or deed restriction or zoning violations. Any such encroachment or violation will be treated in the same manner as a title defect and **Buyer's** and **Seller's** obligations will be determined in accordance with subparagraph **(b)** above.

MISCELLANEOUS

11. EFFECTIVE DATE; TIME; FORCE MAJEURE:

(a) Effective Date: The "Effective Date" of this Contract is the date on which the last of the parties initials or signs and delivers the final offer or counteroffer. **Time is of the essence for all provisions of this Contract.**

(b) Time: All time periods will be computed in business days (a "business day" is every calendar day except Saturday, Sunday and national legal holidays). If any deadline falls on a Saturday, Sunday or national legal holiday, performance will be due the next business day. All time periods will end at 5:00 p.m. local time (meaning in the county where the Property is located) of the appropriate day.

(c) Force Majeure: **Buyer** or **Seller** shall not be required to perform any obligation under this Contract or be liable to each other for damages so long as the performance or non-performance of the obligation is delayed, caused or prevented by an act of God or force majeure. An "act of God" or "force majeure" is defined as hurricanes, earthquakes, floods, fire, unusual transportation delays, wars, insurrections and any other cause not reasonably within the control of the **Buyer** or **Seller** and which by the exercise of due diligence the non-performing party is unable in whole or in part to prevent or overcome. All time periods, including Closing Date, will be extended (not to exceed 30 days) for the period that the force majeure or act of God is in place. In the event that such "act of God" or "force majeure" event continues beyond the 30 days in this sub-paragraph, either party may cancel the Contract by delivering written notice to the other and **Buyer's** deposit shall be refunded.

12. NOTICES: All notices shall be in writing and will be delivered to the parties and Broker by mail, personal delivery or electronic media. Except for the notices required by Paragraph 3 of this Contract, **Buyer's failure to deliver timely written notice to Seller, when such notice is required by this Contract, regarding any contingencies will render that contingency null and void and the Contract will be construed as if the contingency did not exist. Any notice, document or item delivered to or received by an attorney or licensee (including a transaction broker) representing a party will be as effective as if delivered to or by that party.**

13. COMPLETE AGREEMENT: This Contract is the entire agreement between **Buyer** and **Seller**. **Except for brokerage agreements, no prior or present agreements will bind Buyer, Seller or Broker unless incorporated into this Contract.** Modifications of this Contract will not be binding unless in writing, signed or initialed and delivered by the party to be bound. Signatures, initials, documents referenced in this Contract, counterparts and written modifications communicated electronically or on paper will be acceptable for all purposes, including delivery, and will be binding. Handwritten or typewritten terms inserted in or attached to this Contract prevail over preprinted terms. If any provision of this Contract is or becomes invalid or unenforceable, all remaining provisions will continue to be fully effective. **Buyer** and **Seller** will use diligence and good faith in performing all obligations under this Contract. This Contract will not be recorded in any public records.

14. ASSIGNABILITY; PERSONS BOUND: **Buyer** may not assign this Contract without **Seller's** written consent. The terms "**Buyer**," "**Seller**," and "**Broker**" may be singular or plural. This Contract is binding on the heirs, administrators, executors, personal representatives and assigns (if permitted) of **Buyer**, **Seller** and **Broker**.

DEFAULT AND DISPUTE RESOLUTION

15. DEFAULT: **(a) Seller Default:** If for any reason other than failure of **Seller** to make **Seller's** title marketable after diligent effort, **Seller** fails, refuses or neglects to perform this Contract, **Buyer** may choose to receive a return of **Buyer's** deposit without waiving the right to seek damages or to seek specific performance as per Paragraph 16. **Seller** will also be liable to **Broker** for the full amount of the brokerage fee. **(b) Buyer Default:** If **Buyer** fails to perform this Contract within the time specified, including timely payment of all deposits, **Seller** may choose to retain and collect all deposits paid and agreed to be paid as liquidated damages or to seek specific performance as

Buyer (_____) (_____) and **Seller** (_____) (_____) acknowledge receipt of a copy of this page, which is Page 5 of 8 Pages.

296 per Paragraph 16; and Broker will, upon demand, receive 50% of all deposits paid and agreed to be paid (to be split equally among
297 Broker) up to the full amount of the brokerage fee.

298 **16. DISPUTE RESOLUTION:** This Contract will be construed under Florida law. All controversies, claims and other matters in
299 question arising out of or relating to this transaction or this Contract or its breach will be settled as follows:

300 (a) **Disputes concerning entitlement to deposits made and agreed to be made:** Buyer and Seller will have 30 days from
301 the date conflicting demands are made to attempt to resolve the dispute through mediation. If that fails, Escrow Agent will
302 submit the dispute, if so required by Florida law, to Escrow Agent's choice of arbitration, a Florida court or the Florida Real
303 Estate Commission ("FREC"). Buyer and Seller will be bound by any resulting award, judgment or order. A broker's
304 obligation under Chapter 475, FS and the FREC rules to timely notify the FREC of an escrow dispute and timely resolve the
305 escrow dispute through mediation, arbitration, interpleader or an escrow disbursement order, if the broker so chooses,
306 applies to brokers only and does not apply to title companies, attorneys or other escrow companies.

307 (b) **All other disputes:** Buyer and Seller will have 30 days from the date a dispute arises between them to attempt to
308 resolve the matter through mediation, failing which the parties will resolve the dispute through neutral binding arbitration in
309 the county where the Property is located. The arbitrator may not alter the Contract terms or award any remedy not provided
310 for in this Contract. The award will be based on the greater weight of the evidence and will state findings of fact and the
311 contractual authority on which it is based. If the parties agree to use discovery, it will be in accordance with the Florida Rules
312 of Civil Procedure and the arbitrator will resolve all discovery-related disputes. Any disputes with a real estate licensee or
313 firm named in Paragraph 19 will be submitted to arbitration only if the licensee's broker consents in writing to become a party
314 to the proceeding. This clause will survive closing.

315 (c) **Mediation and Arbitration; Expenses:** "Mediation" is a process in which parties attempt to resolve a dispute by
316 submitting it to an impartial mediator who facilitates the resolution of the dispute but who is not empowered to impose a
317 settlement on the parties. Mediation will be in accordance with the rules of the American Arbitration Association ("AAA") or
318 other mediator agreed on by the parties. The parties will equally divide the mediation fee, if any. "Arbitration" is a process in
319 which the parties resolve a dispute by a hearing before a neutral person who decides the matter and whose decision is
320 binding on the parties. Arbitration will be in accordance with the rules of the AAA or other arbitrator agreed on by the parties.
321 Each party to any arbitration will pay its own fees, costs and expenses, including attorneys' fees, and will equally split the
322 arbitrators' fees and administrative fees of arbitration.

323

ESCROW AGENT AND BROKER

324 **17. ESCROW AGENT:** Buyer and Seller authorize Escrow Agent to receive, deposit and hold funds and other items in escrow
325 and, subject to clearance, disburse them upon proper authorization and in accordance with Florida law and the terms of this
326 Contract, including disbursing brokerage fees. The parties agree that Escrow Agent will not be liable to any person for misdelivery of
327 escrowed items to Buyer or Seller, unless the misdelivery is due to Escrow Agent's willful breach of this Contract or gross negligence.
328 If Escrow Agent interpleads the subject matter of the escrow, Escrow Agent will pay the filing fees and costs from the deposit and will
329 recover reasonable attorneys' fees and costs to be paid from the escrowed funds or equivalent and charged and awarded as court
330 costs in favor of the prevailing party. All claims against Escrow Agent will be arbitrated, so long as Escrow Agent consents to arbitrate.

331 **18. PROFESSIONAL ADVICE; BROKER LIABILITY:** Broker advises Buyer and Seller to verify all facts and representations that
332 are important to them and to consult an appropriate professional for legal advice (for example, interpreting contracts, determining the
333 effect of laws on the Property and transaction, status of title, foreign investor reporting requirements, the effect of property lying
334 partially or totally seaward of the coastal construction control line, etc.) and for tax, property condition, environmental and other
335 specialized advice. Buyer acknowledges that Broker does not reside in the Property and that all representations (oral, written or
336 otherwise) by Broker are based on Seller representations or public records. Buyer agrees to rely solely on Seller, professional
337 inspectors and governmental agencies for verification of the Property condition, square footage and facts that materially
338 affect Property value. Buyer and Seller respectively will pay all costs and expenses, including reasonable attorneys' fees at all levels,
339 incurred by Broker and Broker's officers, directors, agents and employees in connection with or arising from Buyer's or Seller's
340 misstatement or failure to perform contractual obligations. Buyer and Seller hold harmless and release Broker and Broker's officers,
341 directors, agents and employees from all liability for loss or damage based on (1) Buyer's or Seller's misstatement or failure to perform
342 contractual obligations; (2) Broker's performance, at Buyer's and/or Seller's request, of any task beyond the scope of services
343 regulated by Chapter 475, F.S., as amended, including Broker's referral, recommendation or retention of any vendor; (3) products or
344 services provided by any vendor; and (4) expenses incurred by any vendor. Buyer and Seller each assume full responsibility for
345 selecting and compensating their respective vendors. This paragraph will not relieve Broker of statutory obligations. For purposes of this
346 paragraph, Broker will be treated as a party to this Contract. This paragraph will survive closing.

347 **19. BROKERS:** The licensee(s) and brokerage(s) named below are collectively referred to as "Broker." **Instruction to Closing**
348 **Agent:** Seller and Buyer direct closing agent to disburse at closing the full amount of the brokerage fees as specified in
349 separate brokerage agreements with the parties and cooperative agreements between the brokers, except to the extent Broker
350 has retained such fees from the escrowed funds. In the absence of such brokerage agreements, closing agent will disburse
351 brokerage fees as indicated below. This paragraph will not be used to modify any MLS or other offer of compensation made by
352 Seller or listing broker to cooperating brokers.

Complying With the Lead-based Paint Law: Licensee Notice to Seller/Landlord

FLORIDA ASSOCIATION OF REALTORS®

I am notifying you of your responsibilities under the Lead-Based Paint Hazard Reduction Act of 1992 and its implementing regulations. As the owner of a residential dwelling unit built in 1977 or earlier, you have the following disclosure and other requirements (for purposes of this document, "LBP" will mean lead-based paint and "LBPH" will mean lead-based paint hazards, which are conditions that cause exposure to lead from lead-contaminated dust, soil or paint that is deteriorated or present in accessible surfaces or surfaces that rub together, like doors and windows):

1. Before You Sign a Contract/Lease. Before a buyer or tenant becomes obligated by contract to buy or lease your housing, you must complete the activities listed in A-D below. If you receive an offer before you provide the required information, you cannot accept the offer until after the information is given. This may be accomplished by making a counter offer that allows the buyer or tenant an opportunity to review the information and amend the offer if he or she so chooses. You must:

A. Disclose to each licensee or other agent (for purposes of this law, anyone who enters into a contract with you or your representative for the purpose of selling your home, except for buyer's agents who are paid solely by the buyer and not by you or your representative, is considered an "agent") involved in the transaction:

- (1) the presence of any LBP/LBPH about which you know;
- (2) any additional information available concerning the LBP/LBPH, including the basis for determining that LBP/LBPH exists, the location of the LBP/LBPH and the condition of the painted surfaces; and
- (3) the existence of any available records or reports pertaining to LBP/LBPH.

B. Provide the buyer or tenant with:

- (1) an EPA-approved lead hazard information pamphlet. This means either the EPA document entitled "Protect Your Family From Lead in Your Home" or an equivalent pamphlet approved by the EPA for use in Florida; and
- (2) any records or reports available to you concerning LBP/LBPH in the unit, including records and reports regarding any common areas. If the unit is in multifamily housing that you own and you had an evaluation or reduction of LBP/LBPH in the housing as a whole, you must provide available records and reports regarding other residential dwellings in that housing.

C. Disclose to the buyer or tenant:

- (1) the presence of any known LBP/LBPH in the unit; and
- (2) any additional information available concerning the LBP/LBPH, such as the basis for determining that LBP/LBPH exists, the location of the LBP/LBPH and the condition of the painted surfaces.

D. Allow the buyer time to conduct a risk assessment or inspection for the presence of LBP/LBPH. You must give the buyer a 10 day period unless you agree with the buyer, in writing, to another period of time (such as within the time allowed for property inspections) or unless the buyer indicates in writing that he or she waives the right to conduct the risk assessment or inspection. This inspection requirement does not apply to tenants.

2. Sales Contract Requirements. You must ensure that the sales contract has an attachment having the following elements:

A. The following Lead Warning Statement: "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspection in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

B. A statement by you disclosing the presence of known LBP/LBPH in the home and any additional information available concerning the LBP/LBPH, such as the basis for determining that it exists, its location and the condition of the painted surfaces; OR indicating that you have no knowledge of the presence of LBP/LBPH in the home.

C. A list of any records or reports that are described in 1.B.(2) that are available to you and that you have provided to the buyer; OR a statement that no such records or reports are available to you.

D. A statement by the buyer:

- (1) affirming receipt of the information in 2.B and C above;
- (2) affirming receipt of the lead hazard information pamphlet noted in 1.B.(1) above; and
- (3) that he or she has either had the opportunity to conduct the risk assessment or inspection required as noted in 1.D. above or waived the opportunity.

E. A statement by each real estate licensee/agent involved in the transaction that:

- (1) the licensee/agent has informed you of your legal obligations; and
- (2) the licensee/agent is aware of his or her duty to ensure compliance with the law.

F. Signatures of you, the licensees/agents and the buyers certifying to the accuracy of their statements to the best of their knowledge, and the dates of the signatures.

3. Lease Requirements. As the owner of property being rented, you must ensure that every lease for the unit contains language within the lease itself or as an attachment having the following elements:

- A.** The following Lead Warning Statement: "Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, lessors must disclose the presence of lead-based paint and/or lead-based paint hazards in the dwelling. Lessees must also receive a federally approved pamphlet on lead poisoning prevention."
- B.** A statement by you disclosing the presence of known LBP/LBPH in the unit being leased and any additional information available concerning the LBP/LBPH, including the basis for determining that it exists, its location and the condition of the painted surfaces; OR indicating that you have no knowledge of the presence of LBP/LBPH.
- C.** A list of any records or reports that are described in 1.B.(2) above that you have provided to the tenant, OR a statement that no such records or reports are available to you.
- D.** A statement by the tenant:
 - (1) affirming receipt of the information paragraph 3.B. and C. above; and
 - (2) affirming receipt of the lead hazard information pamphlet noted in 1.B.(1) above.
- E.** A statement by each real estate licensee/agent involved in the transaction that:
 - (1) the licensee/agent has informed you of your legal obligations; and
 - (2) the licensee/agent is aware of his or her duty to ensure compliance with the law.
- F.** Signatures of you, the licensees/agents and the tenants certifying to the accuracy of their statements to the best of their knowledge, and the dates of the signatures.

4. Record Retention Requirements. Sellers and the licensees/agents involved in the sales transaction must keep a copy of the completed attachment described in paragraph 2 above for no less than 3 years from the date of closing. Landlords and the licensees/agents involved in the lease transaction must keep a copy of the completed attachment or lease form described in paragraph 3 above for no less than 3 years from the first day of the leasing period.

5. Impact of Law and Disclosures. Nothing in the law or regulations requires a seller or landlord to conduct any evaluation or reduction activities. However, the parties may voluntarily insert such a requirement in the contract. Neither you nor the licensees involved in the sale or lease transaction will be responsible for the failure of a buyer's or tenant's legal representative (such as an attorney or broker who receives all compensation from the buyer or tenant) to transmit disclosure materials to the buyer or tenant, provided that all required persons have completed and signed the necessary certification and acknowledgement language described under paragraphs 2 and 3 above.
